

Two UTD Student-Athletes Win Conference Player of the Week Honors

RICHARDSON, TX (3/30/04) - The American Southwest Conference has recognized a pair of University of Texas at Dallas student-athletes for its weekly honors in softball and baseball.

Senior softball player Laura Hatfield was selected as the ASC East Division Hitter of the Week. Hatfield, a shortstop from Sachse, TX, drove in six runs and smacked a pair of triples while going 4-for-7 in a doubleheader sweep of LeTourneau University last week. With the score tied at 1-1 in the first game, Hatfield cleared the bases with a game-winning triple on the way to a 4-1 UTD win. In the second game, she went 3-for-4 at the plate, scoring three times and driving in three more in an 11-3 victory.

Senior pitcher Joseph Wollscheid was recognized as the ASC East Division Pitcher of the Week after coming within one out of pitching a no-hitter for the Comets' baseball team. The senior from Garland gave up just one hit in a 4-0 UTD win over Hamline University of Minnesota, striking out seven and walking just two in a seven-inning game.
