Dear Rick,

I am pleased to inform you that the University of Texas at Dallas has been nominated for a 2011 Community Revitalization Award. The Richardson City Council established the Awards in 1994 to recognize property owners who have enhanced our community by making significant exterior improvements to properties that have, in turn, had a positive impact on the surrounding area. Both residential and non-residential properties are eligible for consideration, and in the sixteen years since the Program's inception, over 160 properties have been recognized. You can access additional information on the Awards from the City's website at www.cor.net/DevelopmentSvcs.aspx

All nominations will be submitted to our Judging Committee in the next week for evaluation. Should UTD be selected to receive an award, I will contact you in early December.

Regardless of the outcome of your nomination, let me take this opportunity to thank you on behalf of the City Council for choosing to reinvest in our community. Our hope is that your efforts will set a precedent that other commercial property owners and developers will follow, further enhancing our unique community, and helping to maintain Richardson's tradition of attractive and vital neighborhoods and commercial development.

Please forward a copy of this letter to any parties within your organization (and/or contractor, architect, etc.) that you feel should be included in the recognition of this project, and feel free to contact me if you have any questions at (972) 744-4256 or by e-mail at israel.roberts@cor.gov

Sincerely,

6:30 – 7:30 p.m. – Reception

There will be an informal reception with hors d'oeuvres and refreshments prior to the award presentation, and we look forward to meeting each of you personally. The reception will be held in the East Alcove adjacent to the Council Chamber, on the first floor of the Civic Center/City Hall. Please park and enter the building at the west end (adjacent to Civic Center Drive and the Library), and we will have signs posted inside the doors to guide you to the reception area.

7:30 p.m. – Award Presentation

The presentation of the 2011 Community Revitalization Awards will be the first item on the agenda of the City Council meeting. We will provide a brief overview of each award-winning project to the City Council. At the end of the briefing for your project, we will ask your group to step forward to accept your award certificate from the Judging Committee. A photographer will be present to take photos as your award is presented. Once you have received your award, please return to your seat until all of the awards have been presented (there are nine recipients). After all of the awards have been presented, we will exit the Council Chamber as a group.

After the Presentation

After exiting the Council Chamber, we will reassemble for a group photo of the recipients.

If you would like us to recognize other individuals who may be in attendance with you, please be sure to provide us with their names/titles on the attached form. We sincerely appreciate your participation in this exciting program, and we look forward to seeing you on February 6th.
