**Re:** Modification Approval of IRB 17-51  
Modification 1  
Title: Taking Refuge in India: Case of African Forced Migrants

This letter is notification of Modification Approval of the research project referenced above. IRB approval of the modification(s) listed below begins as of **March 15, 2018** and ends on **February 12, 2019**.

- Change the title from "Taking Refuge in India: Case of African Refugees" to "Taking Refuge in India: Case of African Forced Migrants."

The IRB requires that you report as soon as possible any unexpected adverse events (including non-serious and serious events) that occur during the study. If the research is expected to continue beyond 12 months, you must request Continuing Review and re-approval of the project least 6 weeks prior to the date of expiration date noted above.

If you plan to change the research project (number of participants, title, procedure, payment, consent form, etc.), you must submit a request detailing the proposed changes and receive IRB approval before the changes are implemented except when prompt changes are necessary to eliminate apparent and immediate hazards to the participants.

If you have any questions related to this approval, please contact us at 972-883-4575 or by email at [amanda.boone@utdallas.edu](mailto:amanda.boone@utdallas.edu).
