**AFCRL AWARDS \$24 967 FOR
SPACE MAGNETISM RESEARCH**

Award of a \$24,967 research contract to the Graduate Research Center of the Southwest by Air Force Cambridge Research Laboratories was announced this week.

The one-year agreement is for research directed toward effects of interplanetary magnetic fields on propagation of cosmic radiation. Prof. Kenneth G. McCracken, a member of the Atmospheric and Space Sciences Division at GRCSW, is principal investigator. Effective date of the award is March 1.
