It is only the signature page which must be  
format-approved before your defense. The  
procedure to receive approval is that once  
you have made the revisions, we ask that you  
upload a PDF *with only that page* as an  
ADMINISTRATIVE FILE in our online  
submission system. Then I will be able to  
look at it and let you know if there are any  
further changes needed or if it is approved.

Once approved, you will print it off and take  
it to your defense so that it can be signed at  
that time. If questions, please let me know.

Thanks, Amanda
