***Decentralized Passivity-Based Control with a Generalized
Energy Storage Function for Robust Biped Locomotion***

UT Dallas Author(s):

Mark Yeatman
Ge Lv
Robert D. Gregg

Citation:

Yeatman, M., G. Lv, and R. D. Gregg. 2019. "Decentralized Passivity-Based Control with a Generalized Energy Storage Function for Robust Biped Locomotion." *Journal of Dynamic Systems, Measurement and Control* 141(10): art. 101007, doi: 10.1115/1.4043801
